

MICROSOFT MONETIZE ADVERTISING AGREEMENT

IF YOUR PRINCIPAL PLACE OF BUSINESS IS IN THE UNITED STATES OF AMERICA (“UNITED STATES”), PLEASE READ THE BINDING ARBITRATION AGREEMENT AND CLASS ACTION WAIVER (SECTION 11). IT AFFECTS HOW DISPUTES ARE RESOLVED.

This Microsoft Monetize Advertising Agreement (“**Agreement**”) is between the individual or entity named in your Microsoft Monetize account (“**Company**”, “**you**” or “**your**”) and the Microsoft entity identified in Section 16 (“**Microsoft**”, “**we**”, “**us**”, or “**our**”) regarding Microsoft Monetize, a supply-side advertising platform offered by Microsoft (“**Microsoft Monetize**”) (see <https://about.ads.microsoft.com/en-us/solutions/xandr/publisher-platforms-scaled-buying-selling-solutions> and any successor links (“**Microsoft Monetize Site**”). You accept this Agreement by signing up for or placing an order for Microsoft Monetize or continuing to use Microsoft Monetize after being notified of a change to this Agreement. In addition to these terms, this Agreement consists of any “**Orders**” (an order you place with us for advertising), our then-current rules and requirements for Microsoft Monetize on the Microsoft Monetize Site, our policies available at <https://microsoftapc.sharepoint.com/teams/XandrServicePolicies> (collectively, “**Microsoft Monetize Policies**”), any additional terms and conditions (including any exhibit attached to this Agreement, pricing sheet, or addenda) presented to you by Microsoft and its partners applying to all or certain features of Microsoft Monetize, and, if your principal place of business is in the United States, the Arbitration Agreement and Class Action Waiver. **If Company is using Microsoft Monetize to sell ad inventory on behalf of another entity (a “Publisher”), Company represents and warrants that it is authorized to act on behalf of the Publisher and has bound the Publisher to the Agreement and all references to Company in these Terms will also apply to such Publisher. If Company has not bound a Publisher to this Agreement, Company will be responsible for performing any obligation, including any contractual or non-contractual disputes and claims of any nature, the Publisher would otherwise have had under this Agreement. Microsoft may share Publisher-specific information with Company and Publisher as part of the Microsoft Monetize service.**

Section 1. Microsoft Monetize. Your use of Microsoft Monetize is subject to all of the terms of this Agreement. You are solely responsible for the security and use of your account, including login criteria, management of the account by third parties, and use of the Microsoft Monetize service. Microsoft Monetize is a sell-side advertising platform on which Company authorizes Microsoft and its partners to facilitate the sale of ad inventory and data. As part of Microsoft Monetize, Microsoft and its partners may also make available to Company certain optional products and/or features to assist Company with the sale, management, or monetization of ad inventory and data or other related services, which may be subject to Company’s agreement to additional terms and conditions that apply specifically to such products and/or features (e.g., as referenced in or attached to this Agreement, through an online click-through agreement, or notice in the UI). Company is not required to use these optional products and/or features and, as applicable, may opt-in or opt-out of using these products and/or features. However, if you use these products and/or features, then you will be solely responsible for such use. You may choose to use preview, beta, or other pre-release features of the Microsoft Monetize services (“**previews**”) that we may make available. Previews may contain features that are unsupported and not fully tested. If you provide Microsoft feedback about its services including previews (“**submission**”), you grant Microsoft and its partners rights to use the submission for our own internal purposes, including to improve or promote our services. Microsoft and its partners may change Microsoft Monetize at any time to add, remove, or modify Microsoft Monetize features. Upon our reasonable request, you shall make available to us all information necessary to demonstrate your compliance with this Agreement.

Section 2. Content Usage and Moderation. You authorize us and our partners, including our customers to (a) utilize your media properties, ad inventory and data and certain other information provided by you relating to your use of Microsoft Monetize (“**Content**”) to deliver the service(s) to you, (b) provide your ad inventory for sale on your media properties, (c) reproduce, publicly perform, publicly display, and transmit your name and logo in connection with our provision of Microsoft Monetize to you and (d) disclose or make otherwise available Content and other information relating to your use of Microsoft Monetize as required by applicable law, or

judicial or other governmental or regulatory order. Microsoft and its partners reserve the right to review and restrict your Content to the extent we or our partners deem necessary, including as required by law. More information on our content review and moderation process is available in the Microsoft Monetize Policies.

Section 3. Prohibitions. You will not, directly or indirectly: (a) access or use Microsoft Monetize or provide Content to us or our partners for Microsoft Monetize that in any way violates applicable law, Microsoft Monetize Policies, or this Agreement; (b) generate automated, fraudulent, or otherwise invalid impressions, inquiries, clicks, views, video completions or conversions; (c) use any automated means or form of scraping or data extraction to access, query, or otherwise collect, copy, reproduce, distribute, publicly perform, or publicly display advertising-related information from Microsoft Monetize; (d) attempt to interfere with the operation of Microsoft Monetize; (e) reverse engineer any aspect of Microsoft Monetize or do anything that might discover or reveal source code, or bypass or circumvent measures employed to prevent or limit access to any part of Microsoft Monetize; or (f) access or use Microsoft Monetize or provide Content to us for Microsoft Monetize that contains, distributes or results in the delivery of any form of virus or malware or any malicious software code. Enforcement of this Section 3 is solely at Microsoft and its partners' discretion, and failure to enforce this section in some instances does not constitute a waiver of our right to enforce it in other instances.

Section 4. Payments. We will pay you for ad inventory impressions you sell through your account using the method and form of payment you select. For more information, please visit <https://help.ads.microsoft.com/#apex/ads/en/ext60325> customer impact FAQ. You must dispute payment issues within 60 (sixty) days following the calendar month in which the applicable ad inventory related to the payment issue was sold. The amounts payable pursuant to this Agreement do not include any sales, value added, goods and services or similar taxes ("Transaction Taxes") and each party shall pay to the other party any Transaction Taxes that are owed by that party solely as a result of entering into this Agreement and which are required by law to be collected. A party may provide to the other party a valid exemption certificate in which case the other party shall not collect any Transaction Taxes covered by the certificate. If taxes are required to be withheld on any amounts otherwise payable, such taxes shall be deducted from the amount otherwise owed and shall be paid to the appropriate tax authority, and the withholding party shall secure and deliver to the other party an official receipt for any taxes withheld. The parties are not liable for any taxes of the other party that the other party is legally obligated to pay and which are incurred or arise in connection with or related to transactions contemplated under this Agreement, and all such taxes shall be the financial responsibility of the party who is obligated by operation of law to pay such tax.

Section 5. No Warranties; Limitation of Liability. Neither Microsoft nor its partners make any representations about the quality or availability of Microsoft Monetize or anything else and Microsoft and its partners disclaim all warranties and guarantees (express, implied, statutory, or otherwise, including those of merchantability, fitness for a particular purpose, non-infringement, and workmanlike effort) to the greatest extent allowed under applicable law. You access and use Microsoft Monetize entirely at your own risk. All aspects of our or our partners' performance and services are "as is," "with all faults," and "as available." To the greatest extent allowed under applicable law, neither party is liable for any special, incidental, consequential, exemplary, punitive, or other indirect damages related to this Agreement (including for loss of data or profits), foreseeable or not, regardless of the theory of liability. The maximum, aggregate liability of either party to the other, and to all third parties: (a) for all claims related to this Agreement is limited to \$5,000 USD; and (b) subject to the foregoing clause (a), for any given claim is the amount paid by us to you under this Agreement for the advertising transactions from which that claim arose. Nothing in this Section 5 applies to (y) your payment obligations or Section 6; or (z) either party's liability from fraud or gross negligence.

Section 6. Indemnity. You will defend and indemnify us and our partners (and our respective directors, officers, employees, affiliates, and agents) from and against all claims, demands, suits, or other assertions of rights by any third party (including, if you are a Company entering into this Agreement on behalf of a Publisher, the Publisher), and all resulting judgments, settlements, and expenses (including attorneys' fees and costs), that

arise out of or relate to Content, your use of Microsoft Monetize, or your breach of any term of this Agreement. To the extent any direct participants in your Microsoft Monetize advertising transactions have any rights or obligations under this Agreement, such direct participants are intended third-party beneficiaries of this Section 6.

Section 7. Term and Limitation of Remedies. This Agreement begins when you accept it and continues until terminated immediately on written notice pursuant to Section 10 of this Agreement. Either party may terminate this Agreement, and your participation in Microsoft Monetize, at any time, for any or no reason, immediately on written notice. Sections 2, 4 through 18, as well as your warranty in the preamble, survive termination.

Section 8. Data and Privacy. The Microsoft Ad-tech Platform Data Processing Addendum available at [The Microsoft Ad-tech Platform Data Processing Addendum](#) (“**Addendum**”) is incorporated by reference in to this Agreement. Terms capitalized in this Section 8 but not otherwise defined in the body of this Agreement shall have the meanings given to such terms in the Addendum. The Addendum sets forth the parties’ respective roles under Data Protection Laws, including for Microsoft Monetize services. We use Personal Data that we Process (“**Microsoft Monetize Data**”) as a Controller, as denoted in the Addendum, in connection with Microsoft Monetize services for the purposes of delivering Microsoft Monetize and other related advertising services, reporting and performance analysis, and for our own purposes, including, but not limited to, the improvement of our services. Where we are a Processor, we use applicable Microsoft Monetize Data to provide Microsoft Monetize and related advertising services requested by you and as further identified in the Addendum. We collect, use, and disclose Microsoft Monetize Data as described in the Microsoft Privacy Statement available at <https://privacy.microsoft.com/en-us/privacystatement>. We do not disclose Microsoft Monetize Data collected as a result of your use of Microsoft Monetize with other publishers or third parties in any form that identifies individuals personally. We may use other data relating to your use of Microsoft Monetize for the purpose of delivering Microsoft Monetize and other related services, reporting and performance analysis, and for our own purposes, including, but not limited to, the improvement of our services.

The Addendum sets forth yours and our obligations with respect to all Personal Data you make available to or cause Microsoft to Process in connection with your use of Microsoft Monetize. Microsoft and you each represent and warrant that they are and will remain in compliance with the Addendum. Further, you agree to comply with all Microsoft Monetize Policies with respect to your use of Microsoft Monetize Data that may be made available to you.

Section 9. Changes. We may make non-material changes to the Agreement at any time without advance notice, but we will provide at least 15 (fifteen) days’ prior notice of any material changes to the Agreement. All changes will apply prospectively, and using Microsoft Monetize after the changes become effective means you accept the changes. If you don’t accept the changes, you must stop using Microsoft Monetize. We may change the Microsoft Monetize Policies at any time, without notice to you and with prospective effect.

Section 10. Notices. We may send you notices via the email address you gave us. Notices emailed to you are deemed given when sent. We will notify you of changes to the [Microsoft Monetize Agreement](#) or [Microsoft Monetize Policies](#) by posting the change to the terms on the Microsoft Monetize Site. If you want to notify us, you must send first class mail to Microsoft at the following address:

Section 11. Binding Arbitration Agreement and Class Action Waiver if Your Principal Place of Business is in the United States. We hope we never have a dispute, but if we do, you and we agree to try for 60 days to work it out informally. If we can’t, you and we agree to binding individual arbitration before the American Arbitration

Association (“AAA”) under the Federal Arbitration Act, and not to sue in court in front of a judge or jury. Instead, a neutral arbitrator will decide. Class action lawsuits, class-wide arbitrations, private attorney-general actions, and any other proceeding where someone acts in a representative capacity aren’t allowed. Nor is combining individual proceedings without the consent of all parties.

The complete Arbitration Agreement and Class Action Waiver contains more terms and is at <https://about.ads.microsoft.com/en-us/resources/policies/class-action-waiver-and-binding-arbitration>. You and we agree to it. Please read it.

Section 12. Dispute Resolution if Your Principal Place of Business is in the European Economic Area or the United Kingdom (UK). If we have a dispute, you and we may (but are not required to) try for 60 days to work it out informally, including pursuant to the process set forth for disputes arising under the Microsoft Monetize Policies. If we can’t, you and we may agree to refer the dispute to the Centre for Effective Dispute Resolution, which will nominate a mediator (if a mediator is available and willing to serve), or you and we may agree to select another mediator we jointly agree to use. If a mediator is engaged, you and we each agree to bear a reasonable proportion of the mediation’s costs; if you and we can’t agree on the proportion, the mediator will decide.

Section 13. Dispute Resolution if Your Principal Place of Business is in India. Any issue or claim arising out of or in connection with this Agreement shall be referred to and finally resolved by arbitration in accordance with the Indian Arbitration Act, 1996. The arbitration shall be conducted in accordance with the procedure laid down in the Rules of the Singapore International Arbitration Centre (“SIAC”), the curial law of arbitration, which rules are deemed to be incorporated by reference into this Agreement. The Tribunal shall consist of one arbitrator to be appointed by the Chairman of SIAC. The language of the arbitration shall be English, and the seat and venue of the arbitration shall be New Delhi. The decision of the arbitrator shall be final, binding and incontestable and may be used as a basis for judgment thereon in India or elsewhere.

Section 14. Governing Law and Place to Resolve Disputes.

- (a) **If your principal place of business is in the United States or Canada,** the laws of the State or Province of your principal place of business govern this Agreement, and any non-contractual obligations arising out of or relating to it, claims for its breach, your use of Microsoft Monetize, Orders, your advertising, its price, your transaction, or billing regardless of conflict of laws principles, except that the Federal Arbitration Act governs everything relating to arbitration.
- (b) **If your principal place of business is in Europe, the Middle East, or Africa (“EMEA”),** the laws of Ireland govern this Agreement and any non-contractual obligations arising out of or relating to it, claims for its breach, your use of Microsoft Monetize, Orders, your advertising, its price, your transaction, or billing regardless of conflict of laws principles.
- (c) **If your principal place of business is in India,** the laws of New Delhi, India govern this Agreement and any non-contractual obligations arising out of or relating to it, claims for its breach, your use of Microsoft Monetize, Orders, your advertising, its price, your transaction, or billing regardless of conflict of laws principles. To the fullest extent permitted by applicable law, the parties waive their right to any form of appeal or other similar recourse to a court of law.

- (e) **Place to Resolve Disputes.** If we ever have a dispute that becomes a court case arising out of or relating to this Agreement or any non-contractual obligations arising out of or relating to it, claims for its breach your use of Microsoft Monetize, Orders, your advertising, its price, your transaction, or billing, **the exclusive**

forum will be in the courts of (a) Ireland, if your principal place of business is in EMEA; or (b) New Delhi, India if your principal place of business is in India; or (c) Ontario, Canada, if your principal place of business is in Canada; or (d) a state or federal court in King County, Washington, USA if your principal place of business is anywhere else. You waive any objection to proceedings in such courts on the grounds of venue or on the grounds that proceedings have been brought in an inconvenient forum.

Section 15. General. Each party is an independent contractor to the other and has no authority to act on behalf of or bind the other, and this Agreement does not create another relationship (e.g., employment, partnership, agency, or franchise). Microsoft is permitted to use subcontractors in connection with this Agreement, but will remain liable for its subcontractors' acts and omissions hereunder. Failure to enforce any part of this Agreement is not a waiver; only written waivers are effective. You will not assign this Agreement either in whole or part without our consent, and any assignment in violation of this Section 15 is null and void. Subject to the foregoing, this Agreement will bind and benefit the parties' successors and lawful assigns. If a court or arbitrator holds that we can't enforce a part of this Agreement as written, we may replace those terms with similar terms to the extent enforceable under the relevant law, but the rest of this Agreement won't change. Section h of the Binding Arbitration Agreement and Class Action Waiver says what happens if parts of Section 11 above (Binding Arbitration Agreement and Class Action Waiver) are found illegal or unenforceable; Section h of the Binding Arbitration Agreement and Class Action Waiver prevails over this Section 15 if inconsistent with it and if your principal place of business is in the United States. All rights and remedies under this Agreement are cumulative.

We may cease providing you with certain fields from the Log-Level Data Feeds for (i) any reasonable business reason upon ten (10) business days’ notice or (ii) immediately if related to compliance with applicable laws, regulations or any other material change by which notice in (i) is not feasible, in which case we will provide notice as quickly as practical. With respect to your access and use of the Log-Level Data Feeds, the following terms apply:

(a) Disclosures. We may disclose to other customers the fact that you are contractually authorized to receive Log-Level Data Feeds.

(b) Prohibitions. You will not, will not attempt to, and will not assist or knowingly permit any third party to:

- (e) **Third Party Beneficiaries.** To facilitate direct dispute resolution between Providers and Sellers, each Provider whose DM Data you access and use through the Data Marketplace is an intended third party beneficiary solely of your obligations set forth in this Section 4. You will not assert a defense based on lack of privity against any such Provider seeking to enforce this Section 4(e), including, without limitation, for indemnification for third party claims pursuant to the Agreement. For the avoidance of doubt, you will have third party beneficiary rights against a Provider to the extent expressly set forth in that Provider's agreement with us (e.g., you cannot enforce through third party beneficiary rights, our rights with respect to fees owed by the Provider to us).

Section 5. Programmatic Guaranteed Deals Terms. We may, at our sole discretion, provide a service to facilitate your Advertising Transactions based on a programmatic guaranteed Deal ID (the "**PG Deals Services**"). With respect to your access and use of the PG Deals Services, for the avoidance of doubt:

- (a) any Ad Inventory purchased via PG Deals shall be deemed sold when the applicable Advertising Transaction is deemed by us to have been executed; and
- (b) PG Deals do not constitute a "guarantee" by us, but rather, are deals configured by the Seller and selected by the Buyer, whereby the Seller commits to availability of supply and the Buyer commits to bidding on the supply based on a set of mutually agreed upon commercial and targeting parameters.

Section 6. Curation Auction Terms. We may, at our sole discretion, provide a curation auction service to package, and/or enable third-party curators to package, your Ad Inventory with Ad Inventory of other Sellers and/or data (the "**Curation Auction Services**"). With respect to your access and use of the Curation Auction Services, the following terms apply:

- (b) You shall implement Ad Inventory to allow us sufficient access to deliver campaigns.
- (c) With respect to video Ad Inventory, you shall use commercially reasonable efforts to provide such Ad Inventory to us at the highest priority available below directly sold inventory (or such other comparable priorities).

For any external sources of demand you enable us to access your Ad Inventory through our header bidding solution (each, a "**Header Bidding Demand Partner**"), you acknowledge and agree that you have a direct relationship with the Header Bidding Demand Partner and will hold them (and not us) solely responsible for any payments for or liability arising from their access to your Ad Inventory.

Section 8. Prebid Server Premium Terms. We may provide to you "**Prebid Server Premium**" which provides various services in respect of Prebid Server, including hosting Prebid Server within our data centers and PSP Demand Partner (as defined below) configuration and reporting. For the purposes of these terms, "**Prebid Server**" is an open-source server-to-server header bidding solution available at prebid.org, and "**PSP Demand Partners**" are external advertising technology platforms enabled by you to integrate with Prebid Server Premium to aggregate and submit bids into Prebid Server Premium. With respect to your access and use of Prebid Server Premium, the following terms apply:

- (a) **Liability.** You will hold PSP Demand Partners (and not us) responsible for any payment for or liability arising from the PSP Demand Partners' access to your Ad Inventory.
